

View and Edit an Apparatus

View an Apparatus

You need *Apparatus Manager*, *Apparatus Checks Coordinator*, or *Apparatus Checks Participant* permissions to view an apparatus.

1. On a browser, go to <https://apparatus-checks.platform.firestationsoftware.com/select-apparatus>. You may need to sign in.
2. Select the apparatus you want to view.

The apparatus overview displays apparatus details, the most recent apparatus check, and the current inventory list for the apparatus.
